# SPONSOR INFO

LET YOUR ART SHINE!

## WHO IS ARTSHINE / ARTS4ALL?

We are a mobile art school dedicated to making participation in the arts available to all.

Artshine is a social enterprise; all profits from paid programs are invested into Arts4All, our non-profit sister organization.

## What do we do?

Our enriching, convenient programming provides **opportunities for underprivileged individuals**. We offer scholarships, subsidized and free programming to provide inclusive arts experiences for seniors, incarcerated and at-risk individuals, and people living with disabilities.

## Why does it matter?

Art provides individuals with a **healthy outlet to cope with adversity**. Our students benefit from improved **education, confidence, and self-expression** through art. Participants use their imaginations and experiment with a variety of mediums while learning about different themes and cultures.

You can play an important role in exposing more people in our community to these benefits. Please support us as we create a healthy, inclusive, and beautiful future together!

## Why should you help?

In addition to the chance to make a positive impact in our community. Sponsoring Arts4All demonstrates your **commitment to the community** and **builds goodwill** with potential customers in a meaningful way, generating new business leads and fostering loyalty. Plus, your donation can be a **tax write-off**!

You can also get exposure on our website (9K visits in 3 months), Facebook (~2K fans), Instagram (> 1K) and Twitter (~1K) or in our email newsletter (9K subscribed).
